• Frequency of the Board Meeting and Academic Advisory Body	Minimum twice in a year
• Organizational chart and processes	Annexure-I
• Nature and Extent of involvement of Faculty and students in academic affairs/improvements	<ul style="list-style-type: none"> • The process of curriculum design is well framed and followed. The Institute believes that Alumni, faculty members, industries and recruiters, academic experts from institutions of higher learning, lead societies, statutory bodies are the major stake holders, and they are involved in various stages of curriculum design process. • The Board of Studies (BoS) and Academic council have representations from industry, research organizations and academia. The BoS consists of two external experts (Cadre of Professors) from the other academic institutions, one industry representative, one distinguished alumni (from industry or academia), two professors, two Associate Professors and one Assistant Professor from the parent department. The Chairperson is the Head of the Department. The respective BoS are empowered to co-opt experts from the industry, employers, professional bodies and academics in addition to permanent members. • The Academic council (AC) comprises of one representative from VTU, two Professors from institutions of repute like IISc/ IIT, one expert from industry, all the chairpersons of BoS, Dean Academics, two Professors, two Associate professors and two Assistant Professors. Principal is the Chairman of the AC. The presence of stake holders brings in innovative ideas and helps in framing the curriculum that would satisfy the PEOs, POs and Graduate attributes.
• Mechanism/ Norms and Procedure for democratic/ good Governance	<ul style="list-style-type: none"> • The Governing Body (GB) monitors the performance, quality of academic activities, action taken on grievances, placement records, participation of faculty in research & publications
