RVCE students emerge champs

Team Helios Racing of RV College of Engineering emerged the national champions at the recently held Baja Student India event at the National Institute of Technology, Jamshedpur.

Speaking at a press conference in Bengaluru on Wednesday, College Principal Dr B S Satyanarayana said: The all-terrain vehicle won acceleration, manoeuvrability, hill climb, design, endurance and over all awards, at the six-day event sponsored by Tata Motors. As many as 44 teams from across India had participated, including IITs and NITs.
