PUBLICATION OF THE PATENT OFFICE

INTRODUCTION

In view of the recent amendment made in the Patents Act, 1970 by the Patents (Amendment) Act, 2005 effective from 01st January 2005, the Official Journal of The Patent Office is required to be published under the Statute. This Journal is being published on weekly basis on every Friday covering the various proceedings on Patents as required according to the provision of Section 145 of the Patents Act 1970. All the enquiries on this Official Journal and other information as required by the public should be addressed to the Controller General of Patents, Designs & Trade Marks. Suggestions and comments are requested from all quarters so that the content can be enriched.

Filing Date	:NA	

(57) Abstract :

Disclosed is a sanitary pad dispenser (100) comprising a first wall (102) and a second wall (104) coupled by a central frame (108), defining a channel (106) adaptable to accommodate one or more sanitary pads, the central frame (108) extending at its lower end and coupled with a base frame (110) forming a dispensing end, a motor (112) positioned on the lower side of either the first wall (102) or the second wall (104), configured to rotate in clockwise and counterclockwise directions and an sweeper (114) coupled with the shaft of the motor (112), passing through a slot between the lower side of the first wall (102), the lower side of the second wall (104), and the base frame (110), the sweeper (114) rotating to eject the lowest sanitary pad from the channel (106). The present disclosure also relates to a sanitary pad dispenser system (200).
