**Subject : Delivery of Computers completed and submission of Invoice.**

Reference : Centralized Computer Purchase Order Reference # RVE/3159/07-08 dated Tuesday, September 25, 2007 & our invoice # 972 dated Monday, October 29, 2007 and our letter dated Monday, October 29, 2007 to all departments for delivery of equipments.

Respected Sir,

We thank you, all departmental HOD's and Staff in supporting us for a very smooth delivery of large consignment of products to your esteemed institution on Tuesday, October 30, 2007

With reference to centralized purchase order Reference # RVE/3159/07-08 dated 25 September 2007, we have successfully delivered all ordered products to respective departments on Tuesday, October 30, 2007 as per distribution instructions from Vice Principal.

We are in the process of installation of these products and we have already completed installation at couple of departments. Once we complete installation and demonstration of all products, we are requesting respective Head of Department to acknowledge the same with stock certificate. We are sharing complete configuration and serial numbers of all products, department wise for easy asset management. If required, we can also share a soft copy with you.

We request you to instruct all respective Head of Departments to allow us to complete installation in next one week to ten days as we have deployed maximum work force to complete the installation process at the earliest. If there is any short fall in site preparation at any department or any other issue due to software vendor accessibility, we request you to advise all respective Head of Departments to check for hardware functionality and acknowledge with stock certificate as we do not want our payment process to be delayed due to any concerns that are not under our control. As are aware that, we have deployed resident engineers & they are at your service any time for next three years for any help.

Kindly revert back immediately for any further clarifications.

Assuring best of customer services, products, technology & organizational support all the times.

Yours Sincerely,

For Orbit Peripherals (P) Limited,

  
Shivakumar A. P.

Date:

With reference to the letter dated 17<sup>th</sup> August 2007, you are required to setup a "HP Design Zone " at Mechanical CAD laboratory as per the discussion at free of Cost, with three workstations as mentioned in the offer letter.

**Terms and conditions**

1. Taxes: As mentioned above.
2. Delivery: F O R, RVCE premises
3. Demonstration /Installation: Acceptance is subject to Demonstration /Installation and satisfactory performance and working. Network configuration and implementation to be carried out in co-ordination with the Network Engineer and network vendors.
4. Blade Servers to be installed in the place of two or three independent servers (Dept of MCA, CSE, Mechanical). They need to be connected to existing LANs at no extra cost (related to cabling /switches etc). This has been inspected and agreed upon by the vendor. Any power requirement for Blade servers are to be mentioned earlier so that we can make arrangements for the same.
5. Payment: subject to satisfactory Demonstration /Installation
6. Transit /Freight: All charges relating to Freight, loading and unloading, packing etc., shall be at your cost
7. Warranty : Three years on Site
8. Resident Engineer: One Additional Engineer to be deputed with existing Engineer.

Kindly acknowledge with an acceptance letter.

Thanking you

Yours Sincerely
