Human Resource of Library

“Learning Gives Creativity, Creativity Leads to Thinking, Thinking Provides Knowledge, and Knowledge Makes you Great”. – A.P.J.Abdul Kalam

Profile of Library

Library consists of central library and 12 departmental libraries which collectively support the educational needs of all the programmes. Library has automated all its services. It has a vast collection of books reference books, bound volumes - journals, conference proceedings, e-books, CD's /DVD's, Students thesis, E- journals etc.

Vision and Mission of College

Vision: Leadership in quality technical education, interdisciplinary research & innovation, with a focus on sustainable and inclusive technology.

Mission:

- To deliver outcome based quality education, emphasizing on experiential learning with state of the art infrastructure.
- To create a conducive environment for interdisciplinary research and innovation.
- To develop professional through holistic education focusing on individual growth, discipline, integrity, ethics and social sensitivity.
- To nurture industry- institution collaboration leading to competency enhancement and entrepreneurship.
- To focus on technologies that are sustainable and inclusive, benefitting all sections of the society.

Vision and Mission of Library

Vision: To become the best archive and vibrant technical library with best practices for knowledge acquisition, sharing and act as outreach to faculty and students.

Mission:

- To serve as knowledge & information sharing resource centre for all the engineering and technology library with the best and latest reference books and journals.
- Establish serene learning environment for the readers in using the library facilities and services at ease any time.
- To automate, digitize and provide seamless e- enabled access of all the library resources for all its readers.
- To acquire, store, retrieve, share and loan resources with ease with other engineering and technology libraries.

Library and Information Science- Research Centre

Department of Library and information Science of R.V.College of Engineering has received the Grant of permission to offer Ph.D by research from VTU, Belagavi, in the Year October,2015. Two staff members in library have registered for the research programme. There is a separate centre in the Library department with two computer systems and reference book, conference proceedings and journals relating to library science.
