Accreditation Status granted is valid till the programme has the approval of the Competent Authority or the period given in col. ‘4’, whichever is earlier.

3. The accreditation status awarded to the programmes as indicated in the above table does not imply that the accreditation has been granted to R.V. College of Engineering, R.V. Vidyaniketan Post, Mysore Road, Bangalore as a whole. As such the institution should nowhere along with its name including on its letter head etc., write that it is accredited by NBA because it is programme accreditation and not institution accreditation. If such an instance comes to NBA’s notice, this will be viewed seriously. Complete name of the programme(s) accredited, level of programmes (UG or PG as the case may be) and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
4. The accreditation status of the above programmes is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programmes as indicated in the table in paragraph 2, appears on the website and information bulletin of your institution.

5. The accreditation status awarded to the programmes as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

6. Copies of the Comprehensive Reports submitted by the Chairmen of the three Expert Committees along with the detailed reports submitted by the Expert Teams which visited your institution for the programmes evaluated are enclosed for reference and to take necessary action to overcome the shortcomings, if any, pointed out by the Expert Teams.

7. If the institution is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. D.K. Paliwal)

Subject: Extension of the Period of Accreditation Status granted to UG Engineering Program(s) offered by R.V. College of Engineering, 8th Mile, Mysore Road, R.V. Vidyaniketan Post, Bangalore-560059, Karnataka
Sir,

This has reference to NBA’s letter of even number dated 20/11/2015 under which some of the UG Engineering programmes offered by your Institution were granted accreditation in Tier I by National Board of Accreditation.

2. National Board of Accreditation (NBA) has now decided that in all cases where UG Engineering programmes of an Institution were granted provisional accreditation for a period of 2 years in Tier I/Tier-II format, the period of provisional accreditation of these programs shall be extended from 2 to 3 years subject to the condition that they meet the essential Pre-visit qualifiers. The Pre-visit qualifiers submitted by R.V. College of Engineering, 8th Mile, Mysore Road, R.V. Vidyaniketan Post, Bangalore-560059, Karnataka have been considered and approved by NBA in respect of the following UG Engineering programmes. Accordingly, the competent authority in NBA has approved the following accreditation status to the programmes as given in the Table below:

<table>

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

The programs have been granted provisional accreditation. R.V. College of Engineering, 8th Mile, Mysore Road, R.V. Vidyaniketan Post, Bangalore-560059, Karnataka should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.
5. The accreditation status awarded to the program(s) as indicated in the above table does not imply that the accreditation has been granted to R.V. College of Engineering, 8th Mile, Mysore Road, R.V. Vidyaniketan Post, Bangalore-560059, Karnataka as a whole. As such the Institution should nowhere along with its name, including on its letter head etc. write that it is accredited by NBA because NBA only accredits program(s), and not Institutions. If such an instance comes to NBA’s notice, this will be viewed seriously. Complete name of the program(s) accredited, level of programs and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program(s) is subject to change on periodic review, as deemed necessary by the NBA. It is desired that the relevant information in respect of accredited program(s) as indicated in the Table in paragraph 2, appears on the website and information bulletin of your College/Institution.

7. The accreditation status awarded to the program(s) as indicated in Table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status. (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
