A Report on Guest Lecturer on “Road Map to MS in USA”

Department of Artificial Intelligence and Machine Learning, RVCE has organized the Guest Lecturer on “Road Map to MS in USA” on 28th July 2023, for 2nd Year AI&ML Students, and Shri Vigneshwar Dhavamani Graduate Research Student University of Michigan USA was the expert speaker for the talk. The lecture was attended by 60 students and 2 Faculty members of the Artificial Intelligence and Machine Learning Department.

Dr. Sathish Babu HoD Department of AIML formally welcomed the speaker and introduced him to the students and Vigneshwar Dhavamani is Alumnus of RVCE

The speaker gave insights into how to start preparing for MS during their 2nd year of graduation. He also spoke about the different projects he carried out during his graduation, which helped him to get a seat at the prestige university. He spoke about the importance of LOR and statement of purpose and how to write it.

The speaker talked about the various scholarship opportunities in University of Michigan and how to apply and he also gave insight on Integrated Ph. D, Visa process and financial requirements.

Along with Q&A, the speaker shared insights of different problem students, where students can dwell into and get some good experience.

As per the feedback received from students, it was an excellent learning experience, and the lecture helped them to understand how to prepare and apply for MS.
