## CIRCULAR

**(Applicable to 2022 Scheme of UG Programs & 2024 Scheme of M.Tech and MCA Programs)**

**Sub:** New amendment for the **Conduction of SEE lab examination – Reg**

With reference to the above subject, all students of B.E Programs 2022 of scheme and M.Tech and MCA programs of 2024 Scheme are hereby instructed to note the implementation of the **new methodology for the conduction of the SEE Lab examination** which will be **implemented from ACY 2024-25 (Even Sem) onwards.**

The revised rubrics as given below:

- ❖ Henceforth, the prescribed exercises/experiments as per the scheme shall be conducted throughout the semester & **evaluated for CIE only.**
- ❖ **The problem statement of the project will be shared at the beginning of every semester before the commencement of the laboratory classes, and the students should team up in groups of TWO/FOUR to execute the project. All the student groups shall be from the same program.**
- ❖ Students shall **undertake a project** encompassing the concepts of the exercises/experiments during the semester as an **open-ended exercise** related to the **course (both Theory and Lab).**
- ❖ **The Semester End Examination (SEE) shall be the final presentation / demonstration of the working model / simulation or the prototype of the project.**
- ❖ This scheme of new SEE evaluation will be **implemented from the ACY 2024-25 (Even sem) for the 2023 admission batch students of the 2022 scheme onwards.**
- ❖ The revised rubrics for SEE has been attached herewith for information and necessary action.
