## English Language Laboratory

### Preamble :

The English Language Laboratory/Technical English is introduced for I year Undergraduate students in all the programs. The course is offered under the Board of Humanities and Social Sciences and Liberal Education. The course is offered for both I semester and II Semester for 1 credit in each semester. The classes are held in the laboratory. **M/s.McGraw Hill Education India Pvt.Ltd** has provided the online access to the content. The course is taught in online mode. Through this every student receives a personalized pathway which maximizes learning, boosts confidence, and improves engagement in their Listening, Speaking, Reading and Writing Skills. The total number of laboratory classes is 20-24 hrs of teaching in each semester. The evaluation is conducted at 2 levels – Continuous Internal Evaluation and Semester End Evaluation.

### Objectives of the Online English Language Laboratory

1. Aligned the CEFR (Common European Framework Reference) ranging from A1-C1 through Level Beginner to Post – Intermediate.
2. Under LSRW (Listening, Speaking, Reading, Writing) pattern and Vocabulary & Grammar. Also includes Critical thinking strategies, Project based activities, Speaking and conversation practice, blogging and peer views. (In line with - Critical Thinking, Collaboration, Creativity and Communication).
