Counselling Process at RVCE

There is a strong mentoring / counseling system in the institution. There are totally 60 counselors for the I/II semester B.E. students. The counselors are so chosen that he / she will be handling the class of their students. On the same lines, there are totally 162 counselors for the III to VIII semester students and another 40 counselors for the M.Tech. students. On an average there will be one counselor for every 20/24 students. The counselors are trained by experts time to time. The counselors maintain a file for each of their mentees details including academic performance, personal information of the student, participation certificates for extra and co-curricular activities and other personal information. It will also contain the progress reports of the student, after each CIE test issued to parent. copies of grade cards, correspondences with parents etc. The students are required to meet the counselors 5 times compulsorily during each semester as detailed below.

1. To register at the beginning of the semester.
2. To collect the 1st progress report.
3. To return the Xerox copy of the 1st progress report after obtaining the parent's signature
4. To collect the 2nd progress report.
5. To return the Xerox copy of the 2nd progress report after obtaining the parent's signature

Students whose academic performance is very poor are identified and called for special counseling as well as special remedial classes have been conducted . Services of specialists like doctor, psycho counseling are also available in the collages as and when required.

Professional and Personal guidance

As soon as student joins first year, the counselor is appointed for each individual. The counselor conducts the meeting and informs about college rules and regulations and find out about their special interests, problem, any health issue etc. and accordingly suggest the remedial solutions at their capacity: very special cases are brought to the notice of Dean Student Affairs and Principal for further action. The counselor changes at III semester and continue till VIII, during their course. The counselor apart from academic help, advice them about the opportunities regarding placement, higher education, entrepreneurial and preparation for competitive examination like UPSC, other government jobs, Defense services, social services etc.

No.Of faculty mentors : **222** No. of students: **20/24** per mentor
