Call for the Post of full time Junior Research Fellow (JRF)

Applications are invited from eligible candidates for the Junior Research Fellow (JRF) position for the research project titled "An IoT device for Remote Monitoring and Classification of bat species" funded by Bat Conservation India Trust (BCIT), Bangalore.

Essential qualifications:

Candidates with a Postgraduate degree in CSE/ECE discipline. A substantial computer programming background in any scientific language is essential, and prior knowledge of IoT and Machine Learning is preferred.

- **No. of position: 01**
- **Project duration: 1 year**
- **Fellowship: Basic of 35000.00+25% HRA**

General Instructions:

1. Selected candidates can pursue PhD studies at RVCE.
2. Shortlisted candidates will be informed by email.
3. No TA/DA will be paid for attending the interview.
4. Selected candidates will have to carry out field testing of equipment at regular intervals. These field sites could be remote, and one may have to camp outdoors for a few days. All costs for the field trip will be borne by BCIT.
5. The candidate will work under the supervision of a Professor at RVCE and guidance from BCIT.

How to apply?

Candidates should apply with their CV, attested copies of relevant certificates/marksheets, experience certificates, etc. via email to analamr@rvce.edu.in with the subject marked as "Application for JRF position".

Last date to receive applications: 15th Feb 2025.
