RVE/1073/21-22 [1073]

Date: 28.1.2022

CIRCULAR

**Sub: COVID Protocols to be followed in view of resuming of Academic Activities...**

Offline activities of current odd semester are being resumed from 1st Feb 2022. In view of that certain COVID protocols need to be followed as per the instructions from COVID Care Cell of RVCE.

1. Vaccination certificate is mandatory for all the staff and students entering the campus. Students below the age of 18 must compulsorily have at least the first dose of vaccination.
2. RT-PCR negative certificate is mandatory for all the dwellers of the Hostel in RVCE Campus. The same will be verified by the Hostel Staff while reporting at Hostel.
3. It is strongly advisable to have a RT-PCR negative report, if you were affected with COVID or was a primary contact before a week's time from 1st Feb 2022.
4. Students/Staff who are symptomatic are advised to restrain from entering the campus.
5. Students are advised to carry drinking water & lunch from their home for some more time
6. Students are advised to strictly follow the Covid protocols inside the premises.

All are requested to kindly cooperate
