

And

**UNIVERSITY OF APPLIED SCIENCES WURZBURG-SCHWEINFURT (FHWS), GERMANY**

Application invited

for

**8<sup>th</sup>**

batch of students

**PROGRAM DETAILS:**

- **@ RV College of Engineering:** 1-Year Certificate Program (2 Semesters) on “Fundamentals of Engineering and Introduction to Manufacturing Practice” to fulfill the 13<sup>th</sup> year requirement for studying in Germany. The course is complemented by a 6-week pre-study internship program in leading industries in India and an A1 & A2 German language training and certification.
- **@ University of Applied Science Würzburg-Schweinfurt:** A 3.5 year (7 semester) University program (B.E). Internship opportunity in the seventh semester in one of the leading companies in the State of Bavaria, Germany.

The four B.E. programs offered are:

• **Robotics** • **Mechatronics** • **Business and Engineering** • **Logistics**

**ADVANTAGE OF THIS PROGRAM:**

- A unique opportunity to study B.E program in English in Germany
- Students do not have to bear tuition fees. They only have to pay for VISA, medical insurance, travel and living expenses.
- The state government of Bavaria in Germany supports higher education.
- The courses offer students great careers opportunities and higher studies worldwide.
- Over 150 students till date have been placed in FHWS, Germany.
- Several students are already working in German Companies and some pursuing their Masters in leading Universities of Germany.
