CIRCULAR

Sub: *Phase III & Final evaluation of Experiential Evaluation for the I Sem B.E students (both Physics & Chemistry Cycles) -Reg*

All the I Sem B.E. students are hereby advised to adhere to the following instructions for the smooth Evaluation of Final Phase of Experiential Learning.

Evaluation schedule:

Date: 13-01-2025, Monday

Time: 9.30 AM – 4.30PM

Venue: Venues will be announced shortly.

Instructions to the Students:

1. Final evaluation would be a **Full Day Event**. Faculty, students and parents will be visiting the venues and look into your demonstrations and presentations.
2. All the students should be present in the venue identified for the common instructions by 9.30 AM without fail.
 - a. During common instructions, evaluation of rubrics with marks distribution will be highlighted by the Mentors.
 - b. Mentors will be explaining the weightage for each category.
 - c. Students can get all their clarifications resolved before making the demonstration/presentation.
 - d. Student Groups should be present mandatorily for the common instructions.
 - e. Students should carry **hard copy of the individual evaluation sheet** along with them.
3. The venues for the common instructions and dispersal for presentation to the respective venue is being attached.
4. After the Common instructions:
 - a. Students should go to the respective venue/classrooms for their demonstrations of Prototype/Poster & PPT presentations.
 - b. The posters should be displayed properly.
 - c. The necessary office stationeries for the same to be arranged from them only.
 - d. **Prototype should be demonstrated** first followed by the video and PPT presentations with your laptops.
 - e. Ensure complete charging of the laptops as very few charging points are available at the class rooms.
5. All the students in the Respective Team should be available for the presentation. (mandatory).
6. **In case students are absent for the presentation, will be treated as NO SHOW and the marks assigned for the final evaluation will be considered as ZERO.**
7. *The final marks of EL evaluation will be proportionately distributed to all the Courses in the Cycle, except 1 credit courses.*
8. Students **need not submit** the EL report on the day of Evaluation (13 Jan 2025).
9. *The last date for the submission of the EL report is on **16th Jan 2025**.*
 - a. The Submission of the EL report will be in the digital form only.
 - b. The drive link for the submission of the EL report will be shared shortly.

Revised Rubrics for Phase-III Evaluation:

| PHASE - III EVALUATION RUBRICS | | |
|---------------------------------------|----------------------|-----------------------|
| Parameter | Maximum Marks | Marks Obtained |
| Complete Prototype & demonstration | 10 | |
| Results & Discussions | 20 | |
| Report | 05 | |
| Poster and PPT Demonstration | 15 | |
| | 50 | |

Kind Attn to HoDs:

1. HoDs are hereby requested not to assign any other activity to the faculty identified for the EL Evaluation, as it is a full day event.
2. All the Theory and lab sessions have been cancelled on 13 Jan 2025.
