MINUTES OF MEETING

Meeting with IQAC Members (External and Internal Members)

Meeting # 2

DATE: 29th May 2024

TIME: 10.30 AM

MODE: OFFLINE

VENUE: Board room

Agenda:

1. Review of action taken report from the previous IQAC meeting.
2. Review of the current quality assurance practices
3. Discussion on new quality benchmarks and standards
4. Formulation of strategies for continuous improvement
5. Any other points proposed by the members

The member secretary, IQAC, Dr. Shanmukha Nagaraj welcomed both external and internal members of IQAC, and the following points were discussed:

Subject No.	2.1
Agenda	Review of action taken report from the previous IQAC meeting.
Discussions & Resolutions	
1. The action taken report of the previous IQAC meeting was read and accepted by the members.	
Action Plan & Timeline:	
(For whom the task has been assigned and expected date of completion of the task/assignment)	
All the members agreed to the action taken report. One of the external member, Ms.Sunali expressed her gratitude for implementing her suggestions made in the last meeting.	

Subject No.	2.2
Agenda	Report on IQAC activities, IQAC Initiatives
Discussions & Resolutions	
1. The member secretary highlighted the 12 broad areas in which IQAC RVCE was functioning.	
2. Curriculum updates were happening once in three years as per the policy, however, after 2016 scheme, revision of syllabus is happening once in two years. He conveyed to the members the key changes made in the curriculum 2021 and 2022 scheme.	
3. Member highlighted the changes made in the 2021 & 2022 scheme as per the VTU and NEP guidelines.	
4. The various methodologies of implementing Experiential Learning were highlighted. He also informed that the assessment and evaluation of Experiential Learning happens in Exhibition mode, with all the students displaying the prototype of the simulation or the system developed by them. Students have received this process very positively and seriously. He informed the members that ideas put forth by the first year students, three patents have been filed.	

5. Quality measures have been taken to verify the quality of CIE question papers and modalities of the same were discussed. It was also mentioned that the scrutiny of the question papers shall be mandatorily done and recorded in all the departments. The presentation of the scheme to the students is mandatory to ensure no more grievances from the student side.
6. The progress reports of the student performance are regularly sent to the parents through SAP, followed by the Parents Teachers meeting. PTM meeting will be held once a semester and feedback from the parents is collected to improve the quality of learning, assessment and evaluation.
7. He highlighted the pedagogical initiatives taken up by the faculty using the ICT tools under the umbrella of CEDLR (Center for Digital Education and Research).
8. Academic audit is conducted in three stages:
 - a. First Stage: self auditing report;
 - b. Second Stage: Peer Review;
 - c. Third Stage: One external from outside Institution and one Internal auditor.

Academic and Administrative auditing will be done once a year for all UG and PG programs; The outcome of all courses are inspected and suggested with any corrections required. The recommendations or suggestions given through the Academic audit are reported as AAA reports and the Actions taken on these reports are documented.

9. The principal highlighted the parameters on which the NIRF ranking is released and said that RVCE scores good marks in parameters with absolute marking, however, for parameters with relative grading, our institution is competing with all IITs, and NIT's and hence the ranking would be more.
10. He explained that the skills labs were promoted to accommodate the Multiple Entry Multiple Exit (MEME) where the student can get a certification after the Second-year skill lab, and a diploma certificate after the Third-year skill lab. Hence, the second-year skill labs are more domain specific, and the third-year skill labs are more perceiving towards the interdisciplinary approach.
11. Dean Aca. then specified about the OBE practice at the Institution, emphasizing the various feedback collected from the stake holders. He assured that the Quiklrn platform is being used to collect the faculty appraisal twice in a semester, Exit survey once in a year from final year students, Course end survey after every semester from all students of various programs. Under IQAC, RVCE, the following survey and feedback will be obtained.
 - a. Student Satisfaction survey;
 - b. Course end survey;
 - c. Exit Survey;
 - d. Students Feedback on faculty
 - e. Students feedback on Infrastructure and Hostel facilities;
 - f. Feedback from parents;
 - g. Feedback from alumni;
 - h. Feedback from the recruiters;

Action plan and action taken reports will be prepared for each survey/feedback and ensure the feedback will be effectively implemented to the extent possible.

12. The principal highlighted the research initiatives at the institution also mentioning the full-time research scholars along with the stipend. He highlighted the importance of participating in the iSTEM program where all our research infrastructure on placed on the national repository and any researcher throughout the nation can access the same.
13. He emphasized the contributions of the **Center of Excellence** and **Center of Competence** in promoting research and internships in the institution.
14. He brought to the notice of the members about the publications, research scholar statistics, funded projects/consultancies, patents along with the RVCE journal titled as **RVJSTEAM**.
15. He elaborated on the status of the NBA of all the programs and about the status of the NAAC accreditation.
16. The Principal illustrated the status of the placement & training activities and the initiatives about the further improvement in conduction training on GATE, UPSC examinations.

17. He highlighted the industry and international university collaboration emphasizing the key points of collaboration.

Action Plan & Timeline:

(For whom the task has been assigned and expected date of completion of the task/assignment)

1. The external members expressed their appreciation towards the good work being in place in all the dimensions of the institution. They also suggested to work further towards improving the quality in all the parameters.
2. Sri D.P.Nagaraj sir appreciated the quality work done by IQAC team and appreciated all the faculty of RVCE, and he also expressed his accolade for the same.

Subject No.	2.3
Agenda	Discussion and feedback from the external IQAC members
Discussions & Resolutions	
<ol style="list-style-type: none"> 1. Ms. Sonali expressed that RVCE can try to improve upon the certification courses provided to the students which are beyond the curriculum. She insisted that these to be offered along with industries so that the value for these certificates would be more. 2. Mr. Sidharth Prasad expressed that RVCE can allow the UG and PG students to take additional credits from IIT's by taking the offered courses, and the same credits to be considered to the respective programs. 3. Dr.Rathindra Das expressed that although the performance of the RVCE students are good in the outside world, additional emphasis to be given to improve the soft skills of the students through providing enhanced industry interactions. He also mentioned the scope of Power Electronics in Semiconductor technology, Hydrogen and Green technology and assured that he would collaborate with the faculty. 4. Dr. Rajendran asserted that RVCE was in good show and could improve on all the dimensions mentioned. He opined that the students could make use of the opportunity in CSIR for climate modelling by enrolling on the website. The students can take up 4-8 weeks internship in this domain. 	
Action Plan & Timeline:	
(For whom the task has been assigned and expected date of completion of the task/assignment)
