

HELIX 2018 EVENTS

Department of Biotechnology | RVCE | Date: November 23rd & 24th

PAPER PRESENTATION

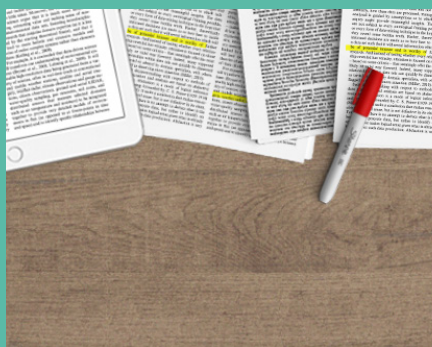

There is a special approach to come up with an idea and a whole new approach to present it, keeping this in mind, we bring to you our very own conference for presenting journals and papers on upcoming developments and emerging technology in the field of biotechnology.

From abstracts to applications, this National Conference on Life Sciences is guaranteed to leave you enlightened.

Registration:

Rs 100 For Students

Rs 500 For Professionals

BIO-CONNECT

As biology students we do believe that in some way or the other, everything in this universe ultimately connects back to our field. In this spirit we bring to you a competition where participants deduce a relationship among seemingly random pictures to establish a biological connection among them all.

Team Size: 2-3

Prize Money:

1st: Rs 1000 **2nd:** Rs 500

Registration : Rs 100 per team.

THE DNA DIALOGUE

No event is complete without at least one round of spirited debate.

From

Bio-Ethics, Intellectual property rights or even Warfare, this event challenges your stance on biological issues.

Team Size: 2

Prize Money:

1st : Rs 2500 **2nd:** Rs 1000

Registration : Rs 150 per team

BIO-OBSTACLES:- THE AMAZING RACE

A Specialized event designed to test your knowledge on biology and your agility all while madly racing against the clock.

We bring to you a round of miniature races and obstacles in

three different rounds.

This competition requires a basic knowledge of biology.

Team Size: 2

Prize Money:

1st: Rs 1500 **2nd:** Rs 1000

Registration :Rs 100 per team

THE CENTRAL DOGMA

This event translates into three rounds, each one more complex than the previous.

The first round , comprises of a simple Biological Quiz and riddles.

The second round will be a team discussion.

Finally, the last mystery round requires a hands on practical approach.

At the risk of giving too much away, let's just say this is where your lab skills come to good use.

Team Size: 3

Prize Money:

1st: Rs 2000 **2nd:** Rs 1000

Registration : Rs 100 per team

ESCAPE THE DEPARTMENT

Imagine being locked in a department where the only way to get out is by navigating your way through the clues placed around by the different mad scientists. Will your team get out in time or will you end up being caught in the toxic waste?

Helix 2018 brings you the first of its kind, simulation of an escape room where only one team will ultimately find their way out of the destructive department before getting consumed by the hazardous diseases.

This competition requires no previous knowledge of biology.

Team Size: 2

Prize Money: Rs 3500

Registration : Rs 150 per Team

THE HUNGER GAME

A competition where the only criteria we judge you on is your ability and capacity to eat.

We bring you three rounds full of food and surprises; Whether good or bad, you can come and see for yourself.

This competition requires no previous knowledge of biology, but does require a strong stomach.

Prize Money:

1st: Rs 2000 **2nd:** Rs 1000

Registration : Rs 150 per person

THE WORKSHOP

Sponsored by India's Largest Biotechnology Company, Biocon Academy, the workshop will be conducted in our seminar hall on the 24th of November.
