Sub. No.	Agenda	Action Taken
2	Requirement awareness points to members and their duties for IQAR.	All the members were given the format that needs to be filled with the requirements
3	Coordinators responsibilities assignment to members.	Each of the coordinators were mentioned their responsibilities criteria wise.
4	Any other matter	The audit of power was presented by Prof. Sreedevi of Electrical department. A report to this effect is made ready

2017:006 - Quality improvement that has taken place in terms of green related to power was discussed. It was mentioned that the college has procured 500KW of solar panel and is being used. It was also mentioned that LED bulbs are being used at many places. Where ever here is new requirement only LED bulbs are being used.

2017:007 - The status of the AQAR report was discussed and it was observed that there was very little progress. The faculties had mixed 2015-16 and 2016-17 data and sent. It was discussed to once again collect the data year wise and make it ready before the next meeting.

2017:008 – Principal insisted that the alumni data need to be made ready before we meet next time.

The meeting ended with vote of thanks. The next meeting was fixed in September.
