

DEPARTMENT OF ELECTRONICS & INSTRUMENTATION ENGINEERING

List of Research Areas Available for Ph.D Programs

Sl.No	Research Guide	Designation	Research Area of Expertise
1	Dr. C H Renumadhavi	Associate Processor & HOD	Bio Medical Engineering, Bio Medical Instrumentation
2	Dr.K.B.Ramesh	Associate Professor	Signal Processing ,Embedded Systems, BioMedical Engineering
3	Dr. Padmaja.K.V	Professor & Associate Dean	Biomedical signal Processing, CCN, Measurement and Instrumentation
4	Dr. S.C. Prasanna Kumar	Professor	Signal Processing(Acoustic Signal Processing), Bio Medical Engineering
5	Dr. Anand Jatti	Associate Professor	Image Processing, Signal Processing
6	Dr. Sudarshan B	Associate Professor	Bio Medical Engineering
7	Dr. Rachana S Akki	Assistant Professor	Microwave Radiometry Infrared Thermography BioMedical Imaging
