6th Oct 2023 -9.30AM- 11.AM Indian Intellectual Heritage by Dr. Rajath Vasudevamurthy, Asst. Professor, BMSCE

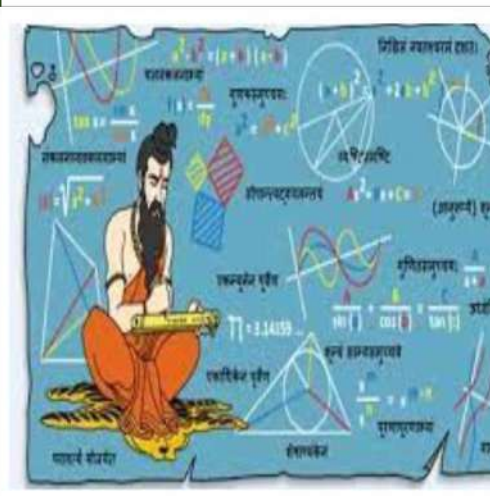

Go, change the world

The students of R V College of engineering were treated to an enlightening and informative guest session by Dr. Rajath Vasudeva Murthy, an Assistant Professor at BMSCE. The session focused on the topic of "Indian Intellectual Heritage" and delved into various aspects of India's historical and intellectual contributions to the world. It not only provided historical insights but also instilled a sense of pride and inspiration among the young audience, encouraging them to embrace and contribute to the rich intellectual legacy of India.

The speaker provided a historical overview of the global economy from 1000 to 1800. He highlighted that during the period between 1000 and 1600, India and China were at the forefront of the world economy

The main part of the session focused on Indian intellectual heritage. The speaker lamented the fact that many Indian scientists and their pioneering achievements are often not well-recognized, even within their own country. He shed light on India's contributions to various fields, including astronomy, science, mathematics, and geometry during a time when advanced technology did not exist.

The session fostered an appreciation for India's historical role as a leader in the world economy and its contributions to various intellectual fields.

6th Oct 2023 – 11.30AM-12.15PM "Overcoming Life's Hurdles", Navigating Challenges with NCC RVCE

Go, change the world

Students embarked on an exhilarating adventure at the NCC Obstacle Ground within the RVCE campus. Here, they faced a series of physical challenges, including hurdles, walls, zigzags, and more. These obstacles represented the difficulties one encounters in life's journey. The NCC instructor shared profound insights during this activity, drawing parallels between overcoming these obstacles and navigating the challenges of life:

Confidence in Overcoming Obstacles: Students were encouraged to tackle challenges with confidence, emphasizing that even if they fail initially, they should persist and continue to overcome obstacles.

Progressive Challenges: The obstacles became progressively more challenging, mirroring the increasing difficulty of life's challenges as one advances. The message was clear: as life presents tougher challenges, individuals must adapt and persevere.

Teamwork: The importance of teamwork was underscored, highlighting that every member of a team plays a crucial role in achieving the ultimate goal.

Team building activity conducted by NCC during orientation programme for the academic year 2023-24 on 6-10-2023 and 7-10-2023. NCC conducted a team building activity at an Obstacle course set up in college. It consisted of the following:

1. Straight balance,
2. Clear Jump,
3. Zig Zag,
4. Wall Jump,
5. Double Ditch.

6th Oct 2023 – 12.15PM-1.30PM Life Skills Session by NSS RVCE & NIMHANS

Go, change the world

Role of Speaker and Listener in Effective Communication: The session emphasized the roles of both speaker and listener in fostering productive and empathetic communication.

1.Importance of Communication and Interaction: Students learned the significance of effective communication and interaction in building meaningful relationships and resolving conflicts.

1.Self-Awareness: Participants explored the concept of self-awareness, understanding the importance of knowing oneself to make informed decisions.

Effect of Carrying Pain: Students engaged in activities highlighting the negative impact of holding onto emotional pain for extended periods, emphasizing the importance of emotional well-being.

6th Oct 2023 – 2.30PM-4.30PM
Sports-Traditional games

Objective of the Day:-
Physical Fitness and
Recreation through Sports
events

Go, change the world

- **Health Education:** Motivated individuals to make healthier lifestyle decisions.
- **Fostering Self-Expression:** Empowered participants to delve into their creative side.
- **Gaining Spiritual Understanding:** Offered profound spiritual perspectives and insights

Go, change the world

SIP 2023 Report

25th September to 7th October 2023:

Feedback

The Student Induction Programme at R. V. College of Engineering was an extensive and enriching event spanning over 9 days.

It was meticulously designed to provide a comprehensive introduction to the college life for the incoming students. This significant initiation involved a diverse array of sessions led by distinguished speakers from various fields. These sessions covered a wide range of topics, including academic expectations, campus resources, extracurricular opportunities, career guidance, and personal development.

The SIP played a vital role in acclimatizing the freshers to the new environment. Beyond the informative and educational sessions, it allowed the students to familiarize themselves with the sprawling campus, its facilities, and the vibrant community they were about to become a part of. The guided tours and interactive sessions facilitated a smooth transition into the college life, helping the newcomers feel more at ease and confident as they embarked on their academic journey

Academic Planning and Outcome Based Education (OBE)

25th Sep 2023 @ 11.30 AM to 1.00 PM

Dr. Shanmukha N.
Dean Academics

- ❖ Educational Qualification: Ph. D.
- ❖ Experience Teaching: 24 Years, Industry : 01 months, R&D: 12 years
- ❖ Area/s of Interest: Composite Materials; Design of machine elements

Special Assignments / Research & Consultancy

- ❖ Member, Academic Council, RVCE; Coordinator, Industry Institute Interaction Cell, RVCE;
- ❖ 06 funded Research Projects on the development of Advanced materials;
- ❖ 02 patents published
- ❖ “Best Teacher Award” by Cognizant Technologies

Consultancy Projects:

- ❖ Design & Development of automatic traverse winder with vision system and interleave paper for a stamping press;
- ❖ Energy regeneration through Micro Hydro Power Generation;
- ❖ Power generation through Bruderer Machine;

Goal Setting & Time Management

26th Sep 2023 @ 09.30 AM to 11.00 AM

**MRS. YAMUNA SRINIDHI,
EX NCC CADET AND
THEATRE ARTIST**

- ❖ Yamuna has done her Masters in dance and served as a Academic Council member at the prestigious Gangubhai Hanagal Music and performing arts University, Mysuru. India, 2017 -2021.
- ❖ Yamuna is as an Actor, a Social worker, a NCC cadet, an ardent fan of Indian armed forces

Examination and Evaluation System

26th Sep 2023 @ 11.30 AM to 1.00 PM

Dr. G. Sadashivappa
Controller of Examinations
(CoE)

- ❖ **Education:** B.E, M.Tech., Ph.D.
- ❖ Professor (Electronics & Telecommunication Engg.)
- ❖ Academic Council Member for SSAHE, Tumkur and IQAC-NAAC member for SIT Tumkur.
- ❖ Member for BoS for several institutions including RVCE.
- ❖ Filed two Indian Patents during 2018-19.
- ❖ Resource person for employees of DRDO Labs under CEP program.
- ❖ Reviewer for conferences and member editorial board of different JOURNALS.
- ❖ Published 2 Textbooks, 45 Journal Papers and 45 Conference papers.
- ❖ Executed a RESPOND project for ISRO/NRSC for the grant Rs.6.96 lakh.

Indian Epic

27th Sep 2023 @ 09.30 AM to 11.00 AM

Mr. Yashodeep D.

- ❖ B.Tech., Mechanical Engineering, IIT Bombay, PGDBM, IIM Ahmedabad.
- ❖ Served as Consultant, McKinsey & Co.
- ❖ Founder, Derrick Petroleum Services.
- ❖ Independent Researcher on Valmiki Ramayana.
- ❖ Creator of 21 notes Valmiki Ramayana: A series of contemporary and captivating short-format videos
- ❖ Delivered talks in various institutes including RVCE.
- ❖ Recognized speaker for AICTE student induction program.

**Mrs. Vaishnavi Sankeshwar,
Clinical Psychologist**

Social Media, Body Positivity and self love

29th Sep 2023 @ 09.30 AM to 11.00 AM

- ❖ Msc. Clinical Psychology, Jain (Deemed to be university), Bengaluru
- ❖ Bachelor of Arts, Christ (Deemed to be University)

WORK EXPERIENCE:

- ❖ Mentor, Mind Memory Management, Hubballi.(2016-18).
- ❖ Asst. Psychologist, Shree Psychiatric Center, Dharwad(2017-18).
- ❖ Intern, Spandana Hospital, Bengaluru(NOV.2022-JAN.2023)

Indian Intellectual Heritage

5th Oct 2023 @ 09.30 AM to 11.00 AM

- ❖ B.E. in Electronics & Communication Engg., RVCE
- ❖ Ph.D. with specialization in VLSI Circuits & Systems,
Indian Institute of Science, Bengaluru
- ❖ Serving as Assistant Professor, Dept. of ECE,
B.M.S. College of Engg
- ❖ Published Technical Papers in IEEE Transactions and International Conferences.

Achievements/ Awards

- ❖ Assistant Professor, Amrita Vishwa Vidyapeetham, Bengaluru Campus
- ❖ Post-doctoral Researcher, Pennsylvania State University, USA
- ❖ Research Interests: VLSI Circuits & Systems
- ❖ Passionate about Indian Knowledge Systems

Dr. Rajath Vasudevamurthy
Asst.Prof. BMSCE

Healthy Lifestyle and Cancer Awareness

5th Oct 2023 @ 11.30 AM to 1.00 PM

Dr.Prof. Giri G V
Radiation Oncologist

- ❖ Dr. Prof. Giri G V was Professor at Kidwai Memorial Institute of Oncology, Bangalore between 1990 and 2016.
- ❖ Presently, Senior consultant, Professor & Head, Department of Radiation Oncology, Sri Shankara Cancer Hospital and Research Centre, Bangalore.
- ❖ He has also been external examiner for MD Radiotherapy for Rajiv Gandhi University of Health Sciences, Karnataka.

❖ **Achievements/ Awards**

- ❖ Dr. Giri G V has guided 12 MD and DNB Radiation oncology students.
- ❖ He has published more than 30 research articles in both national and international journals
