# Exit Survey Report ( Batch 2019-23)

---

RV College of Engineering, Bengaluru

**BE Program**

# Institute Summary

## RVCE Exit Survey (Batch 2019-23)

This report provides a comprehensive overview of the exit survey results for 8th-semester students belonging to the 2019-2023 batch across our institution. It covers feedback on four key aspects: Administration, Curriculum, Examination, and Teaching-Learning. Additionally, the report presents average ratings and percentages for each department and section, offering valuable insights into the feedback at both the departmental and section levels.

# Exit Survey Report ( Batch 2019-23)

---

RV College of Engineering, Bengaluru

**BE Program**

# Institute Summary

## RVCE Exit Survey (Batch 2019-23)

This report provides a comprehensive overview of the exit survey results for 8th-semester students belonging to the 2019-2023 batch across our institution. It covers feedback on four key aspects: Administration, Curriculum, Examination, and Teaching-Learning. Additionally, the report presents average ratings and percentages for each department and section, offering valuable insights into the feedback at both the departmental and section levels.

# Institute Summary

## RVCE Exit Survey (Batch 2019-23)

This report provides a comprehensive overview of the exit survey results for 8th-semester students belonging to the 2019-2023 batch across our institution. It covers feedback on four key aspects: Administration, Curriculum, Examination, and Teaching-Learning. Additionally, the report presents average ratings and percentages for each department and section, offering valuable insights into the feedback at both the departmental and section levels.

## Industrial Engineering and Management

This report provides a comprehensive overview of the exit survey results for 8th-semester students belonging to the 2019-2023 batch across our institution. It covers feedback on four key aspects: Administration, Curriculum, Examination, and Teaching-Learning. Additionally, the report presents average ratings and percentages for each department and section, offering valuable insights into the feedback at both the departmental and section levels.

IEM BE 8 Sem Sec A 2022 23

Survey Section	Question Number	Survey Question	Average Rating	Average Percentage	Category Average	Section Average
Administration & Infrastructure	Q1	Encouragement and support provided by the innovative teams led to expanding my knowledge in all domains of Engineering and management.	3.6	72.06%	3.50	
	Q2	Encourages industry-institute interaction through Industry visits, Internships, expert lectures and projects.	3.54	70.79%		
	Q3	Green footprints in the Institution through infrastructure encourage fresh minds to think innovatively.	3.51	70.16%		
	Q4	Institution was instrumental in exploring and shaping my talent through various teams of Cultural Teams & Sports.	3.68	73.65%		
	Q5	The ecosystem in the institution encourages students to think out of box, and improve on critical thinking.	3.48	69.52%		
	Q6	The institution aims at the holistic development of the students with emphasis on both co-curricular and extra-curricular activities.	3.37	67.30%		
	Q7	The institution provides adequate exposure of diversity, contemporary societal and global issues, innovation to function&nbsp;effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.	3.37	67.30%		
	Q8	The quality of education provided in the program is competitive when compared with counterparts	3.43	68.57%		
	Q9	Very much satisfied with the diversity and inclusivity of the Program.	3.35	66.98%		
	Q10	Would like to get associated with the alma mater as an active alumnus	3.68	73.65%		
	Q1	Activity points help you to connect to the society and improved your overall wellbeing.&nbsp;&nbsp;	3.62	72.38%		
	Q2	Coverage of the laboratory component in core courses gave you confidence to look for new solutions thus providing sustained learning experience.&nbsp;	3.51	70.16%		
	Q3	Curriculum design was holistic with an optimum combination of basic science and engineering, core domain knowledge of your branch, quantitative models, humanities & management, information system design, lab components and projects.	3.63	72.70%
