

RV COLLEGE OF ENGINEERING®

UG

VII SEMESTER UG OFFLINE FASTTRACK EXAMINATIONS OCTOBER-2021

TENTATIVE 15.09.2021

TIME TABLE		
Sl.No	Date & Day	Course Code & Title
		9.30-12.30
1	01.10.2021/Friday	16AS71- Control Engineering
2		16CH71-Transport Phenomena
3		16CS71- Parallel Architecture & Distributed Programming
4		16CV71- Design and Drawing of Steel Structures
5		16EC71- Microwave & Radiating Systems
6		16IM71- Principles of Soft Computing
7		16TE71- Wireless and Mobile Communication
8		16EE71- Power Systems Analysis –II
9		16ME71- Mechanical Vibrations
10	04.10.2021/Monday	16AS72- Aircraft Stability & control
11		16CH72- Process Dynamics and Control
12		16CS72- Data Science and Machine Learning Essentials
13		16CV72- Foundation Engineering
14		16EC72- Broadband Wireless –LTE 4G
15		16EI72- ARM Processor
16		16IM72- Financial Accounting and Costing
17		16ME72- Control Engineering
18		16TE72- Optical Fiber Communication
19		16IS72- Data Science and Engineering
20		16EC7F4/12EC7E5-Radio Frequency Integrated Circuits Design
21	05.10.2021/Tuesday	16CS73-Computer Graphics
22		16CV73- Estimation and Costing
23		16IM73-Product Design and Development
24		16IM7F3- Big Data Analytics
25		16TE7F2- Digital Image Processing
26		16TE7F4- Real Time Embedded systems
27	07.10.2021/Thursday	16EE7F2- Object oriented Modeling and Design
28		16CS7F4- Internet of Things
29		16EC7F1- Satellite Communications & GPS
30		16EC7F5- High Performance Computing
31		16EC7F7- Nano electronics
32		16ME7F1- Automotive Systems Engineering
33		16ME7F2- Advanced Mechanisms Design
34		16EI7F2-Robotics
35	08.10.2021/Friday	16G5B01/12GG701-Bioinformatics
36		16CS7G1- An Introduction to Game Theory
37		16CS7G2- Storage Area Networks
38		16CS7G4- Cryptography and Network Security
39		16CV7G2- Pavement Analysis and Design
40		16CV7G4- Valuation Engineering
41		16EC7G6- MEMS and Smart Systems
42		16IM74- Foundations of Business Analytics
43		16AS74- Avionics
44	09.10.2021/Saturday	12GG704-Solid Waste Management
45		16G7H01/12GF701-Nanotechnology
46		16G7H02- Industrial Safety and Risk Management (Global Elective)
47		16G7H04- Intelligent Systems (Global Elective)
48		16G7H08- MEMS and Application (Global Elective)
49		16G7H09- Introduction to Internet of Things (Global Elective)
50		16G7H10- Industry 4.0 (Global Elective)
		16G7H14-Engineering Material for Advanced Technology (Global Elective)

 Controller of Examinations
 Controller of Examinations
 RV College of Engineering (Autonomous)
 Mysore Road, Bengaluru - 560 059

Practical Examinations will be held between 27.09.2021 and 29.09.2021. The time table for the same will be announced by the respective board
