CIRCULAR

Sub: Webinar Series on Introduction to C++ programming (22PL15D/25D)

Coding Club of RVCE has taken an initiative to bridge the gap for the students of Programming Language Courses viz., **Programming in C++** by arranging online webinar series on the basics of C and C++ programming concepts.

Interactive hands-on sessions have been planned on upcoming weekends. **The first session will start on 21st Jan 2023.** Students are required to attend the sessions positively to enhance their programming skills.

Students are hereby informed to register for the workshop in the following link:

<https://forms.gle/iegqF5feVcMtk8928>

The webex link for the workshop is given below. Use this link to join the webinar.
