

Women in Cloud Center of Excellence in India

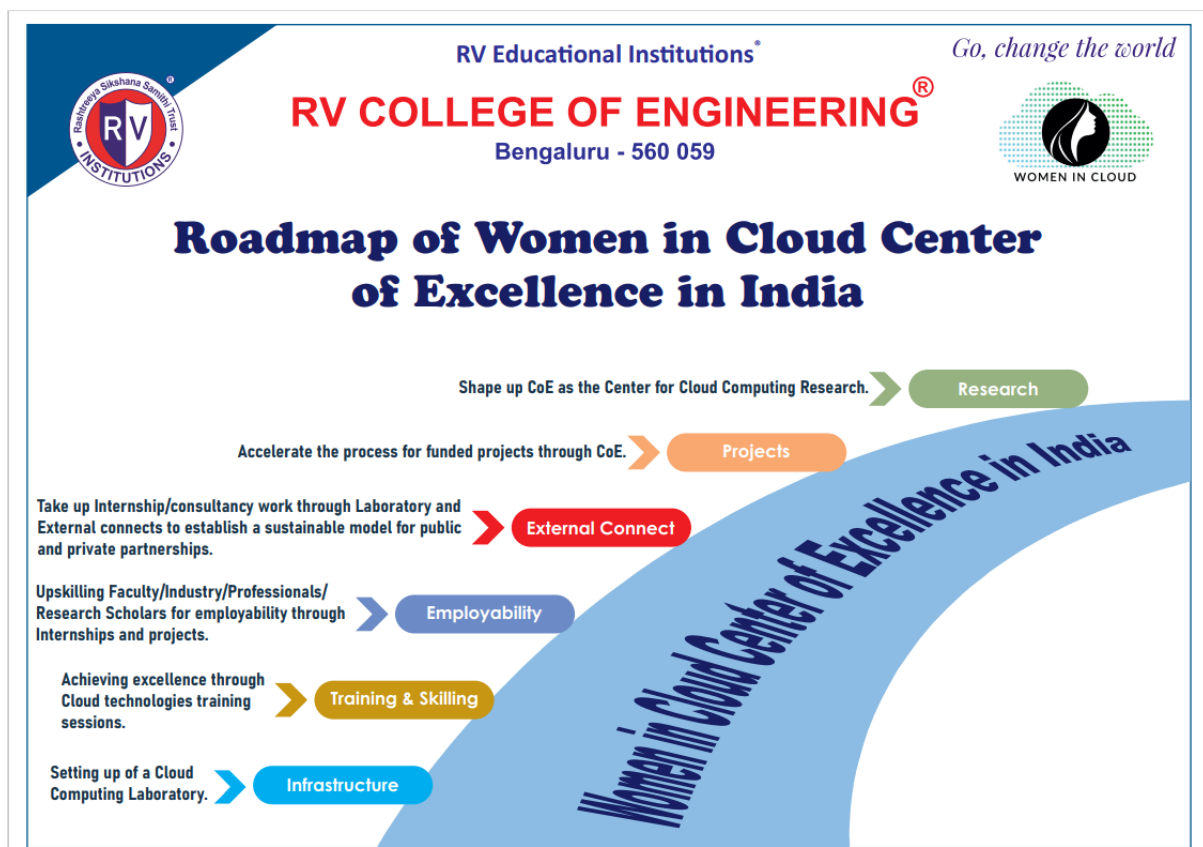

Vision:

Accelerating women empowerment in digital technologies for sustainable partnership and inclusive development.

Mission:

- **To train and empower women on cloud technological skills and employability.**
- **To promote internship and applied research in academia program.**
- **To coordinate with government and private organizations for digital skilling, sustainable partnerships and substantial opportunity.**

Roadmap

Women in Cloud is a community-led economic development organization taking action to generate \$1B in net new global economic access for women entrepreneurs by 2030 through partnerships with corporations, community leaders, and policymakers. RVCE in collaboration with the Women in Cloud network has established a Center of Excellence with the main objective of empowering women on cloud technological skills and accelerating employability options.
