ABOUT THE PROGRAM: Intellectual property plays an important role in providing a competitive edge to any Institution. The intangible assets like inventions, designs, software, brand name and other creative & innovative ideas are more valuable than physical assets. The RVCE is committed to encourage, protect, manage and commercialize Intellectual Property such as Patent, Copyright, Trademark etc. generated through the Institution. The cell creates conducive environment in the academics for the development of Intellectual Property. Institutions in developed and developing countries across the world are facilitating the protection of the innovative ideas of the inventors through Intellectual Property Rights (IPR). RVCE extends its Support for the need to create awareness about the importance of IPRs as a marketable financial asset and economic tool among the researchers, faculty and students of the Institution.

RV COLLEGE OF ENGINEERING®

Rashtrreeya Vidyalaya College of Engineering (RVCE) established in 1963 is the flagship institution of Rashtrreeya Sikshana Samithi Trust (RSST) and one of the earliest self-financing engineering colleges in the country. RVCE today recognized as one of India’s leading technical institutions. It is rated amongst the top five self-financing Engineering colleges in the country. Several leading National English magazines have rated the institution as the best institute in the nation amongst self-financing institutions, based on Return on Investment by a student. RVCE is the preferred destination for top ranking aspirants, both for UG and PG programs. The institution offers 12 Bachelors and 17 Post-graduate programs. Fifteen departments are VTU recognized research Centres for M.Sc (Engg.) and Ph.D. studies. All eligible UG & PG programs have been accredited by NBA. RVCE is ranked 63rd in the country by MHRD-NIRF (2018-19). The institution has to its credit over 1300 National and International Journal publications, filed over 40 patents, 32 published patents, completed sponsored research and consultancy projects worth Rs. 30.0 crores. The placement in most of the departments is over 95%.

KSCST, Government of Karnataka

Karnataka State Council for Science and Technology (KSCST) was established in the year 1975. It is one of the first State S&T Councils to be set up in the country. KSCST is an autonomous S&T organization under Department of Science & Technology, Government of Karnataka. During the last 40 years, KSCST has been pro-actively engaging itself to identify, propose and implement S&T based solutions to locale specific needs/problems in the broad areas of Water, Education, Energy, Ecology and Environment, Waste management and Infrastructure. In co-operation with the Indian Institute of Science and several other premier R&D institutions, KSCST executes many projects and programs aimed at improving socio-economic conditions of the people of the state.
