

The Department alumni meet was held online on 27th June 2020. Number of alumni attended were 47. The program started with an invocation song by Miss. Nireeksha Ramesh of IV Semester, EIE Dept. Dr. CH. Renumadhavi, HoD, E&IE presented the welcome address, gave brief introduction about the Department UG and PG program and highlighted upon the research centre in the department with number of faculties with PhD's and number of faculties Pursuing Ph.D's. She stressed upon the goals and responsibilities of alumni, invited them to contribute to the Department outcome based education system. She thanked all the alumni for being present for the day and wished them a grand success for the future.

Dr. K N Subramanya, Principal, RVCE, welcomed everyone to the meet. He briefed about RVCE, significant achievements of RVCE. He spoke about the role of alumni to their almamater and the importance of conducting such meets regularly. He finally thanked all the alumni for being a part of the alumni meet. Alumni secretary Dr. N.K Srinath gave an inspiring talk about Alumni association formation in RVCE, welcomed the current batch of alumni to the Alumni association and told about free Alumni Registration and welcomed everyone for the event. The function started with a video clipping running in the background highlighting the then Instrumentation Department from the year 1981 to 2017 with different batches of students passed out each year with their achievements and group photos.

Many alumni shared their experiences during their engineering days in RVCE, expressed their gratitude to the department, faculty, and RVCE. The session concluded with vote of thanks by Dr Deepashree Devaraj, alumni co-ordinator of EIE Dept.
