CIRCULAR

'AT HOME' FUNCTION - 22 (for the Outgoing batches of B.E., M.Tech and MCA Programs)

Dear Students,
Greetings from RV College of Engineering!!!

The time has rolled down unimaginably fast and within next few weeks, you are all going to be graduating as Engineers completing Bachelors / Masters. There has always been a **fame and pride** in showing you all as the students of RVCE and accordingly, this prestigious college has paved the path to your career life in a seamless manner.

The present graduating batch may not be as lucky as earlier batches who were able to enjoy their whole student tenure inside the lush green peaceful campus unlike our **virtual classes** for 3 semesters with lots of uncertainties. We are successful of overcoming the tough times during the Covid-19 like the whole world and are proud to be on the verge of **completing** our graduation, possibly by next month!!

As life has returned to complete normalcy, it would be great to experience a festive vibe in our college for one last time in the form of a **FAREWELL CEREMONY FOR THE GRADUATING BATCH OF 2022**.

'AT HOME FUNCTION - 22' has been scheduled on **Saturday, 9th July 2022**, followed by **group photos** with the department to be put in our college annual magazine, **Spandana**, which will be with us for the lifetime.

The detailed Programme schedule will be shared shortly.
